## [ CIRCULAR ]

### Combined Paramedical Admission Process

Paramedical diploma courses are conducted in our institute, whose duration is two years and it is recognized by Uttar Pradesh State Medical Faculty, Lucknow.

The courses are as follows-

- Diploma in Physiotherapy
- Diploma in Optometry

Admission in session 2023-2024 will be done through counseling in which necessary instructions are as follows

- Admission will be only for the candidates of intermediate science stream (Physics, Chemistry, Biology / Mathematics).
- Student should have completed age 17 years by December 2023.
- Students will have to come and fill their registration form in the college.

It is mandatory for all students to bring their original documents (High School Mark Sheet, Intermediate Mark Sheet, Aadhar Card, Photo, Income Certificate, Caste Certificate and Father's Aadhar Card) along with a set of photocopies at the time of reporting.
